Tutoring Experience

For 15 years, I have guided students through IB English Language and Literature, helping them navigate both the SL and HL levels. My focus is on helping students develop critical reading and writing skills that are essential for success in their exams and coursework.

I've also worked extensively with A-Level and IGCSE students, offering tailored support in English literature and language. My experience includes helping students with extended essays, preparing them for university entrance exams, and mentoring them through their academic journey.
