Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. They have extensive tutoring experience with a track record of success, helping students achieve their academic goals.

Tutoring Experience

I have been tutoring IB and IGCSE Computer Science for more than six years, providing comprehensive support to students from diverse academic backgrounds. My focus is on helping students excel in their Internal Assessments and preparing them for university-level computer science concepts.

Working with students from different regions, I ensure that they not only achieve excellent grades but also develop strong programming and problem-solving skills. I tailor my lessons to meet the specific needs of each student, helping them understand the real-world applications of what they learn in class.
